

Hallowell Conservation Commission
 Open Space Plan - Map 2
 Undeveloped Blocks
 and Land Cover

LEGEND

-  Undeveloped blocks
-  Existing public and private open space
-  Public lands in adjacent towns
- Land Cover**
-  Open fields
-  Developed areas
-  Major wetlands
-  Forested wetlands
-  Forested land

Land cover data, from the Maine Office of GIS, is based on interpretation of Landsat and SPOT satellite imagery from 1999 to 2004.

Developed areas include roads, driveways, buildings, gravel pits, and other stony areas.
